

TV EVERYWHERE

TV EVERYWHERE ACCESS*

This service allows you to watch programming on a mobile device, cell phone, laptop, etc. To enable this service you need to use your Opticaltel login credentials. IF you do not have your Opticaltel login credentials please send an email to support@opticaltel.com and request such.

Once you have this login you may simply go on to the website <https://www.wtve.net> and select **OpticalTel** on the drop down screen of Providers. Login with the same credentials as your OpticalTel account.

Thank you.

OpticalTel Management

*Must be an Opticaltel IPTV subscriber
